Waikerie Lutheran Primary Fee Schedule 2026

Withdrawal of a Student

Written notice of one school term in advance is required when student/students are withdrawn from the school. Fees can then be adjusted to the departure date. If written notice is not given, families will be charged for the full term's fee.

Departed families are required to settle their account prior to, within 7 days of leaving or on written arrangement with the principal.

Payment of Fees Whilst Absent from School

To maintain enrolment for a long period of absence it is expected that the family will continue to make payments as per their agreed payment arrangement. Unless otherwise agreed with the principal.

Late or Non-Payments

Non-payment of fees is a breach of your enrolment contract and can affect the continued enrolment of your child/children at Waikerie Lutheran Primary School.

** Should payment not be received after attempts to contact have been made, or if an agreement to repay outstanding fees has not been met, the account may be referred to an external debt collection agency.
